CAREER OBJECTIVE

Electronics and Communication Engineering student seeking an entry-level Embedded Engineer position to apply knowledge of embedded systems, C, C++, Arduino, and hardware interfacing. Eager to develop practical experience in embedded hardware and software development and contribute to reliable engineering solutions through problem-solving, teamwork, adaptability, and continuous learning.

EDUCATION

B.E. – Electronics and Communication Engineering	Expected 2027
Easa College of Engineering and Technology	CGPA: 7.9/10
HSC – Government Higher Secondary School, Lalgudi	2023
State Board – 79%	
SSLC – Vetri Vidhyalaya Higher Secondary School	2021
State Board – 84%	

TECHNICAL SKILLS

Programming: C, C++

Embedded Systems: Arduino UNO, Embedded Systems Fundamentals

SOFT SKILLS

Communication, Leadership, Teamwork, Adaptability, Problem Solving, Time Management, Quick Learning, Critical Thinking

PROJECT

LPG Gas Sensing and Alert System

Technologies: Arduino UNO, Gas Sensor, C++

- Developed an embedded gas detection system to identify LPG leakage and provide an early safety alert.

INTERNSHIP

Embedded Systems Intern – Spirio	Duration: 1 Month
• Assisted with embedded systems development and basic hardware interfacing activities. • Applied programming fundamentals to support embedded application development. • Participated in testing, debugging, and troubleshooting of embedded systems. • Gained practical exposure to embedded hardware, software integration, and engineering workflows.	

CERTIFICATIONS

Embedded Systems Internship Certificate – Spirio	2026
Advanced EV Manufacturing Skilling	2026
• 120 hrs – Theory + Practical; conducted by GTT Foundation, supported by Accenture. • Learning Topics: Interview Skills, EV Architecture, BMS, Manufacturing and Quality Process, Automotive Standards.	
Embedded Systems & IoT Internship – Nirloba IT Pvt. Ltd.	

ACHIEVEMENTS & ACTIVITIES

- Participated in technical events and engineering-related activities.

LANGUAGES

Tamil: Native proficiency **English:** Professional working proficiency

DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief.
